CLERK WALKS IN ON 3 BURGLARS

Earl Osborn Finds Robbers at Work
in Polk's Hardware Store When
He Enters Front Door

10 O'CLOCK THURSDAY NIGHT

Delbert Newman is Arrested as Suspect This Morning—Thieves
Escape With Merchandise

Earl Osborn walked in on three burglars at the E. E. Polk hardware store last night at ten minutes after ten, but the robbers all escaped, carrying away with them merchandise estimated to be worth from \$60 to \$70, and \$5 in money.

Delbert Newman, who was recently released from the state penal farm, was arrested today as a suspect in the case and it was probable that other arrests would be made before night.

The thieves gained entrance through the rear door, by prying it open far enough to reach in and release the lock.

Mr. Osborn, who is a clerk at Polk's store, realized that someone else was in the store when he entered the front door by the noise which was being made in the rear. He did not see any of the robbers because they made their escape before he got close enough to recognize any of them.

Instead of running through the store, Mr. Osborn came back out the front door and ran west in First street with the expectation of meeting the thieves in the alley in the rear of Polk's store. Before he reached the alley, the three ran out and also turned west in First street, running to Morgan, thence north to Second and west in Second.

Mr. Osborn kept up the chase until he saw he was being outdistanced and gave it up. The police were called but found no trace of the burglars nor of the stolen goods. It is understood that Newman was arrested because he was suspected of being implicated in the robbery.

Newman was sentenced in juvenile court March 3, 1915 to serve a term of six months in the state penal farm on a charge of encouraging delinquency and was fined \$500 and costs. The sentence was suspended, however, pending his good behavior. Five days later he was arraigned in court and admitted that he had violated his parole, which resulted in the suspension order being revoked and the sentence being imposed. Newman had to serve the six months in addition to one day for each dollar of his fine.

Polk's hardware store was entered once before about three years ago, when it was located in East Second street in the room now occupied by the Callaghan and Havens store. At that time a boy was convicted for the theft and served a term in the reformatory for the offense.

EARTHQUAKE SHOCK FELT

Noticable at Vancouver and Along Pacific Coast.

(By United Press.)
Vancouver, B. C., Dec. 6.—An earthquake occurred here at 12:40 o'clock last night and all along the Canadian Pacific coast, according to reports received here today. The heaviest shock was in villages along the west coast of the Vancouver islands and people were thrown from their beds. The shock lasted about one-half minute.

GIVES CASH BOND FOR \$100

Kate Rowe Charged With Keeping
House of Ill Fame

Kate Rowe was arraigned in circuit court late yesterday afternoon on a charge of keeping a house of ill fame and pleaded not guilty. She gave cash bond for \$100 and was released. The defendant is an aunt of Mamie Leisure, formerly Mamie Wewee, who is in jail charged with being a prostitute. It is alleged by the authorities that men have been visiting the Rowe woman's house, which was raided by the police last Saturday night. One man was fined in mayor's court as a result of the raid.

RESTRAINING ORDER IS GRANTED TO WIFE

W. D. Richardson of Noble Township Restrained From Selling
Property Valued at \$6,190

WIFE ASKS \$4,000 ALIMONY

A restraining order was granted by Judge Sparks in circuit court yesterday to prevent Willard D. Richardson of Noble township from disposing of approximately \$6,190 worth of personal property following a suit by his wife, Jesse L. Richardson for a divorce. Mr. Richardson demanded a restraining order, declaring that her husband intended to dispose of his property.

Mrs. Richardson also requests \$4,000 alimony and that her maiden name of Jesse L. Morris be restored. It is set forth in the complaint that in addition to the personal property listed, the defendant owns an equity in 72 acres of land in Noble township valued at \$3,000.

It is stated in the complaint that the Richardsons were married February 17, 1912 and lived together until December 5, 1918. The plaintiff alleges her husband stayed out at night, ordered her to leave home frequently and was sullen and bad tempered. She alleges he accused her of not working enough when as a matter of fact she did heavy outdoor work. Mrs. Richardson says her husband "made fun" of her for visiting her parents and refused to take her to Sunday school and church.

TO SUMMON OTHER OFFICERS ABROAD

President Wilson Will Call on U. S.
Officials to Assist in Distribution of Food

SHIP DOES 17 KNOTS AN HOUR

(By United Press.)

Aboard the U. S. S. George Washington, Dec. 6 (by wireless).—President Wilson will summon other officials to France soon after landing, to aid in directing distribution of American foodstuffs and raw materials among the suffering European populations.

Bernard Baruch, chairman of the war industries board, probably will be one of the men named for this work.

The George Washington has been averaging seventeen knots and is about 600 miles east of New York. The liner is still encountering heavy seas, but the President has proved to be a good sailor and has shown no signs of seasickness. His cold is much better. He is resting a great deal and has held no formal conference with any of his advisers. He and Mrs. Wilson sat through "abandon ship" drill yesterday. The President's visit to Italy is expected to be undertaken within two weeks of his arrival at Brest. He will go to Belgium and England later.

EPIDEMIC ABATED IN SOME SECTIONS

Although 84 New Cases of Influenza
Are Reported Today, Conditions
Are Believed Improved

25 ARE SENT FROM CARTHAGE

Marked Decline at Milroy Arouses
Hope That Worst is Over—Six
More in Rushville

Although eighty-three new cases of the influenza have been reported in Rush county since yesterday noon, the situation in some parts of the county is not as alarming as it has been, notably in Milroy, where the belief was expressed today that the epidemic had reached its apex and is now on the decline.

About the daily average was maintained in Rushville with five new patients reported to the city health board during the 24-hour period ending at noon today.

The largest number of cases were reported from Carthage by Dr. J. C. Sipe, who sent word to the county health board of twenty-five more patients being afflicted. The reports were all dated December 4. Dr. Smullen of Raleigh reported twenty-two new cases since his last report, which was several days ago, making a total of sixty patients which he has treated.

Dr. Bowen of Occident reported twenty-three more patients, six of which developed the disease Tuesday and seventeen Wednesday. Dr. Lee of Lewisville reported four new cases in northern Rush county and Rushville doctors sent reports of three new cases outside of Rushville.

Indications were today that southern Rush county is recovering from the epidemic, which centered in Milroy and has been raging since November 29. Since that date, Milroy physicians have treated 209 patients for the influenza, many of which have recovered, having had the disease only in a mild form.

A marked decline in the daily development of new cases indicates that the epidemic is about abated. According to the Milroy Press of yesterday, and two Milroy physicians found only six new cases Tuesday, seven Wednesday and two Thursday, whereas last week on one day more than forty new cases developed.

It was announced today that the four patients at Milroy who were suffering with smallpox have recovered and that there was no danger of an epidemic of that disease. Restrictions on business at Milroy are gradually being removed and it is expected that they will be entirely removed by next Monday. The visiting nurse who was employed by the Milroy committee was released yesterday at noon because the need for her services had ended.

It is stated, however, that the Milroy school will not likely be opened until a week from next Monday in order to be certain that re-

PLAYS HAVOC WITH COURT

Influenza Incapacitates Jurors
Grand Jury Fails to Meet

The influenza is playing havoc with the business of the circuit court because of petit and grand jurors being daily incapacitated by sickness. The grand jury, which was called into session this morning, could not meet because William H. Chance of Center township was reported to the court as being sick. Nearly every day one of the regular panel of the petit jury is excused because of himself being sick or due to sickness in his family. The grand jury likely will not meet before next week as another name has to be drawn in the regular way to fill the vacancy.

PLANS PERFECTED ROLL CALL WEEK

Letters Have Gone Out to All Townships Asking That Solicitors
be Named at Once

WAR FUND CAMPAIGNS ENDS

Hoped This Campaign Will Constitute
Very Foundation of Red
Cross Efforts in Future

Plans are being perfected this week for the Roll Call membership drive for the Red Cross. Letters have gone out to all townships asking that the solicitors be named at once. One township reports twenty-four solicitors already selected and ready to start.

It is hoped that each township can report a complete canvass on the evening of December 16.

A telegram from H. P. Davison, chairman of the Red Cross War Council, states that there will be no further campaign for war funds, and that the Christmas Roll Call for members for the year 1919 will constitute the very foundation of the Red Cross efforts in the future.

The work to be done is on a tremendous scale and of a "beautiful and inspiring character"—clothing feeding and educating orphans; supplying artificial limbs and nursing to health the wounded and diseased; educating the blind and crippled so that they may be self supporting; aiding the returning French and Belgian families that they may once more have a home and resume their former occupations; caring for the returned prisoners and nursing them back to health and reuniting their families; and to care for all needs caused by epidemics of every kind.

The transition from war to peace will require redoubled efforts. It is hoped that the Red Cross may meet with tremendous success in this Roll Call membership drive and that every person in the county may become a member of this organization which has extended so much love, sympathy and efforts during the war, and that his effort may continue during the reconstruction period.

NO MORE PRISON SENTENCES

Bakers Abandons Practice of Sending
up Military Offenders

(By United Press.)

Washington, Dec. 6.—Assigning persons to the bars of military prison cells was today abandoned by Secretary of War Baker.

The orders apply particularly to Fort Leavenworth, Kansas, and is apparently the direct result of protests against treatment of the conscientious objectors now in jail.

WARBURG ISSUES WARNING

(By United Press.)

Atlantic City, N. J., December 6.—Warning that the close connection between the government and business brought about by the war "may tend to debauch and to corrupt the government" was given by Paul M. Warburg, former vice-governor of the federal reserve board, in a speech before the United States Chamber of Commerce here today.

WARNS OF EUROPE'S SNARES

Senator Lewis Says League of Nations
May be Dangerous Thing

(By United Press.)

Washington, Dec. 6.—Warning President Wilson that snares may be set for him in Europe, Senator Lewis, democratic whip and close advisor of the president, today told the senate the proposed league of nations might be a dangerous thing to the world peace rather than a guarantee of it.

"Speaking wholly on my own responsibility," said Lewis, "I put before my country this warning: that in the league the great war of the world has been conducted between those who were allied and grows from execution of the contract of peace."

AMERICANS CLOSE TO RHINE FRONT

Second Division Within Three Days
March of Line Which Will be
Occupied by Yankees

IGNORING THE COUNCILS

(By United Press.)

With the Americans in Prussia, Dec. 6.—The left wing of the second division is within three days march of the Rhine. The whole front to be occupied by the Americans along the river is expected to be reached by December 13.

A corps of expert engineers left for Coblenz to determine the exact area of the bridgeheads to be held by the Americans and to arrange for taking over the railroads, telegraphs.

Official recognition by Major-General Joseph T. Dickman's army of the German soldiers and workmen's councils has been denied. Efforts by the delegates to supervise the affairs in the district occupied by the American forces or to have the Americans deal with them have failed. General Harry A. Smith, in charge of civil affairs, adheres to the policy of treating with the de facto authorities.

SIX BILLION REVENUE BILL PRESENTED TODAY

Republicans Fight to Delay Consideration of Measure, Which Will
be Taken up Tuesday.

HEAVY TAXES IN INCOMES

(By United Press.)

Washington, D. C.—Senator Simmons, chairman of the finance committee, presented the six billion revenue bill to the senate today.

Republicans immediately began a fight to delay consideration of the measure, speedy passage of which President Wilson urged in a message to congress. The senate agreed to take up the bill next Tuesday.

The bill raises the bulk of the revenue from corporation and individual incomes, excess and especially taxes on luxuries. It includes provisions for the taxes to be raised in 1920.

TO BEGIN IN PARIS DEC. 17

Preliminary Peace Discussions Are
Scheduled For That Time.

(By United Press.)

Paris, Dec. 6.—Preliminary peace discussions, according to word received here, will begin in Paris on December 17, with President Wilson participating. They are expected to continue nearly a month.

The formal peace congress with Germany represented will start January 15. It is estimated that the treaty will be signed in April or May.

DEFENSE COUNCIL TO GIVE PUBLICITY

To Spread Information About Plans
of Rehabilitation For Disabled
Soldiers and Sailors

RECONSTRUCTION PROBLEM

This Work Entrusted by Congress to
Federal Board For Vocational
Education

The County Council of Defense has been called on by the State Council of Defense to give publicity and spread information about the plans of the federal government regarding the rehabilitation of disabled soldiers and sailors.

T. M. Green, local chairman, has received a bulletin soliciting assistance and calling attention to the fact that this is one of the immediate problems of reconstruction. It is pointed out his work has been entrusted by congress to the federal board for vocational education, which in turn has asked the assistance of all councils of defense in carrying out its plans.

The federal board advises that the success of its plans depends to a great extent upon bringing to the public a conviction of the dangers growing out of undue charity and commiseration. It anticipates a tendency to make the returning crippled soldiers and sailors feel that they are irresponsible persons to whom a grateful public owes a living. They wish every effort made to induce them to profit by the terms of the act for vocational rehabilitation, which offers them the opportunity of fitting themselves to earn an independent living.

The following are some of the essential points which it is desired emphasized:

(1) Cripples are not helpless and need not be dependents. Every cripple is capable of some useful, self-supporting work, provided the right job is found and he is trained in preparation for it.

(2) The public must avoid over-sentimental, ill-considered measures of commiseration, entertainment, or relief, which tend to break down the independence of the disabled soldier or sailor. We honor the disabled fighting man most by assuming that he will of course fit himself for self-support.

(3) The government, through the federal board for vocational education, has made provision whereby every permanently disabled soldier and sailor who is no longer able to follow his former occupation may without expense to himself be trained in a new vocation. The government will pay him a minimum of \$65 a month while he is in training and will assist him in finding a suitable position as soon as he gains proficiency.

The federal board has established throughout the country district vocational offices. This state is in district No. 7, comprising the states of Indiana, Ohio, and Kentucky. The acting district vocational officer of district No. 7 is W. F. Shaw, 906 Mercantile Library Bldg., Cincinnati. Continued on Page Eight

ALLEGED U. S. WIRELESS

Berlin Papers Says Allied Troops
Will Occupy Berlin

(By United Press.)

Copenhagen, Dec. 6.—German papers published an alleged American wireless dispatch declaring that the allied troops will occupy Berlin for the purpose of policing that city.

A dispatch from Heidelberg says the workmen and soldiers council announced that French troops probably will occupy Heidelberg and the city of Mannheim, because the guards at the prison camp killed three French soldiers.

Heartburn, Belching, Indigestion, Food Repeating and Nearly All Kinds of Bodily Miseries

The first sign of stomach misery usually comes after over-eating. The doctors call it "superacidity". The people say—"sour stomach".

Millions of people who have lost their ambition, energy, courage, vitality and strength—who are weak, pale and listless—who go through life just dragging one foot after another—tired and worn out nearly all the time—nervous, irritable, subject to severe headache, insomnia, and a long train of physical ills—would be surprised, yes, dumbfounded, to learn that it is just an acid-stomach that is causing them all their misery. Yet in nearly nine cases out of ten that is just where the trouble starts.

Now a sour, acid-stomach, or "superacidity", of course, simply means too much acid in the stomach. You can now quickly rid your stomach of its excess acid. A wonderful modern remedy called EATONIC literally wipes it out. It does the work easily,

quickly and thoroughly. It makes the stomach pure, sweet, cool and comfortable. It helps you get full strength out of every mouthful of food you eat; and unless you do get full strength from your food you cannot enjoy robust, vigorous health.

EATONIC is in tablet form. They are pleasant tasting—just like a bit of candy—and are absolutely harmless. Take EATONIC and find out for yourself how wonderfully different you will feel. See how quickly EATONIC banishes the immediate effects of acid-stomach—bloat, heartburn, belching, food repeating, indigestion, etc. See too, how quickly your general health improves—how much you relish your food—how much more easily your food is digested—how soundly you sleep—how nervousness and irritability disappear. And simply because, by taking EATONIC, you have rid your stomach of a lot of excess acid that has been holding back and making your life miserable.

So get a big box of EATONIC from your drugist today. He is authorized to guarantee EATONIC to please you and you can trust him to make this guarantee good. If EATONIC fails in any way, take it back—he will refund your money. If your drugist does not keep EATONIC write to us direct and we will send you a big 50c box and you can send us the 50c after you receive it. Address: H. L. Kramer, Prest, EATONIC Remedy Co., 6000 Wabash Ave., Chicago.

WAR WORK

American women nurses are installed eight miles in the rear of the fighting lines "over there." Right here at home many women should learn nursing to take care of the sick or, in emergencies, the wounded. You can learn a great deal by obtaining the "Medical Adviser" a book of 1,000 pages, bound in cloth, containing chapters on First Aid, Bandaging, Anatomy, Hygiene, Sex Problems, Mother and Babe, 200 prescriptions for acute and chronic diseases; profusely illustrated by wood cuts and colored plates. Ask your druggist or send 50c. to Publisher, 663 Main Street, Buffalo, N. Y.

If a woman is nervous or has dizzy spells, suffers from awful pains at regular or irregular intervals she should turn to a tonic made up of herbs, and without alcohol, which makes weak women strong and sick women well. It is Dr. Pierce's Favorite Prescription. Then, for the liver and bowels nothing is so good as Dr. Pierce's Pleasant Pellets.

Lafayette, Ind.—"Eighteen years ago I first became acquainted with Dr. Pierce's Favorite Prescription. It was during expectancy and I was very frail and delicate. But the 'Favorite Prescription' strengthened me and I had comparatively no suffering. My baby was a strong, healthy girl and has always been fine and healthy. For the expectant mother I think there is nothing so equal 'Favorite Prescription'."

"The 'Pleasant Pellets' I keep in my medicine closet for immediate use and feel that I couldn't keep house without them."

ALL ROMANOFFS KILLED

London, Dec. 6.—A dispatch to the Exchange Telegraph from Amsterdam says the Kief newspapers publish a story given by the valet of the former empress of Russia, of the murder of the entire Romanoff family by the Bolsheviks. According to this story the once royal family was compelled to live in a single room of a convent at Ekaterinburg for weeks before the murder, under guard of Bolshevik soldiers, who insulted them shamefully.

A Direct Subsidy

Announcement comes from the shipping board that of our 25,000,000 ton ship program it is intended to divert 8,000,000 tons into trade channels with South America. That means that tonnage built at the expenditure of hundreds of millions of dollars of the people's money is to be used to build up a trade in American ships that a dozen years ago the republicans sought to accomplish through the expenditures of \$675,000 per year in the form of mail subventions. The republican proposition was in the form of a bill recommended by the merchant marine commission of 1905 after exhaustive hearings conducted at ports on the Atlantic the Pacific and the Great Lakes. In spite of the fact that the encouragement to shipping proposed by that commission was to be paid for the carriage of the mails

Spanish Influenza
More Deadly
Than War

Said That Epidemic Cost More Lives Than American Loss in Battle. Danger Not Over. Great Care Necessary To Prevent Further Outbreak.

The appalling ravages of Spanish Influenza in this country are perhaps best realized by the statement recently made, that more deaths have resulted in little more than a month from this disease than through our whole eighteen months participation in the battles of the European war.

Our greatest danger now, declare authorities, is the great American tendency to forget easily and to believe the peril is over. Competent authorities claim the coming of cold weather is very apt to bring a return of this disease and there should be no let-up throughout the winter months of the following easily observed precautions, remembering that Influenza is far easier to prevent than cure.

Influenza is a crowd disease. Avoid crowds as much as possible. Influenza germs spread when ignorant or careless persons sneeze or cough without using a handkerchief. Cover up each cough or sneeze. Do not spit on the floor, sidewalk, in street cars or public places. Avoid the use of common drinking cups and roller towels in public places. Breathe some reliable germicidal and antiseptic air to destroy the germs that do find lodgement in your nose and throat.

Remember, no safer precaution against Influenza could be employed in this manner than to get from the nearest drug store a complete Hyomei Outfit consisting of a bottle of the Pure Oil of Hyomei and a little vest-pocket hard rubber inhaling device, into which a few drops of the oil are poured. You should carry this Inhaler about with you during the day and each half hour or so put it in your mouth and draw deep breaths of its pure, healing germ killing air into the passages of your nose, throat and lungs.

By destroying germs before they actually begin work in your blood, you may make yourself practically immune to infection.

All these suggestions about Spanish Influenza are equally true in the prevention of colds, catarrh of nose and throat, bronchitis and even pneumonia. Don't become careless. Do your part. Keep the germs away. You may save yourself a serious illness and the loss of several weeks work. Johnson's Drug Store.—Adv.

Sap and Salt

By BERT MOSES

Success comes from being on the level and being on the job.

Take off the wrapper and look inside—the outside doesn't count.

Don't confuse success with money. The world's greatest men were poor.

Hez Heck says: "There are a good many decent people besides you and me."

What makes money valuable is the fact that a lot of people haven't got any.

Great is the joy of the fat lady when she gets on the scales and finds she is losing weight.

Language is used by a few men to say something, but most folks use it to make a noise with.

the democrats chose to term it subsidy. "Direct subsidies," said they, "are so obnoxious to democratic principles and to the economic sense of the country that we are compelled to enter our protest against their enactment into law."

The republicans attempted, through several congresses, to get their measure enacted, but although it passed one house or the other on various occasions it always failed, sometimes by direct vote and sometimes by legislative trickery resorted to by its democratic opponents. The bugaboo of "subsidy" was always raised by the democrats, and proved sufficient to accomplish their ends.

Now we have a fleet costing billions of dollars, built largely for war purposes it is true, but representing in the proportion of its cost properly chargeable to peace trade a tremendous amount of money raised by taxation. Of the 8,000,000 tons that will be used to build up a trade with South America many vessels will probably continue to be operated by the government, while others probably will be turned over to private owners at a figure far below their actual cost of construction. A more direct subsidy could not be conceived. It is a policy precisely contrary to the planks that have been repeated year after year in democratic national platforms. No republican ever would have dared to suggest such financial assistance from the government for our ocean trade, yet the democrats calmly assert that 25,000,000 tons of shipping are to be produced with public funds to provide the country with a merchant marine.

Secretary McAdoo's measures in domestic economy will be scrutinized by the public with interest since he gives straightened circumstances as his reason for resigning. If he conducts the government finances as he did his household affairs, we may expect the worst.

After Carter Glass devotes a year to the office of the secretary of the treasury, we would all read with interest an exposition on how a man does it on \$12,000 a year.

SECOND YEARS REPORT
OF DEFENSE COUNCIL

It Tells the Story of the Government's Activities of NonMilitary Character.

INCLUDES THREE SECTIONS

Washington, Dec. 6.—The second annual report of the Council of National Defense, which is composed of the Secretaries of War, the Navy, the Interior, Agriculture, Commerce and Labor, covering the work of the council for the fiscal year ended June 30 last, has just been made public. It tells the story of the government's activities of a nonmilitary character.

The report is divided into three sections. The first deals with the history of the branches of the council still under its jurisdiction: the second with the war industries board up to May 28, the date of its separation from the council, and the third the story of the agencies dissolved or transferred to other jurisdiction during the year.

ENGAGED IN DRUG BUSINESS

Word has been received here of the death of Frank O. Lamberson, formerly of this city and brother of Charles F. Lamberson. He died at his home in Los Angeles, California, but the telegram announcing his death made no mention of his last sickness. The body will be brought here for burial at his old home at Bentonville.

Mr. Lamberson was a son of the late William T. and Lois Lamberson, prominent residents of Posey township for many years. After completing a course in the common schools he attended Purdue University where he took a course in Pharmacy. He was employed for a time as pharmacist after graduation, both at Rushville and Indianapolis. About eight years ago he located in the west conducting a drug business first at Seattle and later at Los Angeles. He never married. Surviving him are five sisters and two brothers. They are Mrs. B. F. Thiebaud, Connerville; Mrs. Minerva Weaver, Mulberry, Indiana; Charles F. Lamberson, Rushville; Mrs. Grace Hackleman, Mrs. Ida Russell and Miss Ella Lamberson, Indianapolis; W. G. Lamberson, Bentonville. Deceased was 46 years of age. He was known to many friends here as a man of many admirable qualities and his death will be sincerely mourned.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 40c and 25c a box. All druggists.

His Contention That Cables Were Taken Over to Censor Peace News Proves True

CREEL PASSES ON DISPATCHES

Apropos of the prediction of Senator James E. Watson at the time the government took over the cable lines, which was after the armistice was signed, that it was done for the purpose of censoring the news of the peace conference, comes the announcement in Washington dispatches today that a statement in Paris newspapers says "every American communication to the press must pass Mr. Creel. Senator Watson yesterday made some remarks about "this man Creel" as follows:

"It was my contention at the time the cables were taken over by the President that George Creel was to be taken to France to censor all the news that came to this country regarding the peace conference. This article today confirms me in that opinion. I am not disturbed about the capacity of the cables and the

WEAKNESS REMAINS
LONG AFTER
Influenza

Reports Show That Strength, Energy and Ambition Return Very Slowly to Grippe Patients.

After an attack of influenza, doctors advise that nature be assisted in its building-up process by the use of a good tonic—one that will not only put strength and endurance into the body, but will also help to build up and strengthen the run-down cells of the brain.

One of the most highly recommended remedies to put energy into both body and brain is Bio-feren—your physician knows the formula—it is printed below.

There's iron in Bio-feren—the kind of iron that makes red blood corpuscles and creates vigor. There is lecithin also; probably the best brain invigorator known to science. Then there is good old reliable gentian, that brings back your lagging appetite.

There are other ingredients that help to promote good health, as you can see by reading this formula, not forgetting kolo, that great agent that puts the power of endurance into weak people.

Taken altogether Bio-feren is a splendid active tonic that will greatly help any weak, run-down person to regain normal strength, energy, ambition and endurance.

Bio-feren is sold by all reliable druggists and is inexpensive. For weakness after influenza patients are advised to take two tablets after each meal and one at bed time—even a day, until health, strength and vigor are fully restored.

It will not fail to help you and if for any reason you are dissatisfied with results your druggist is authorized to return your money upon request—without any red tape of any kind.

Note to physicians: There is no secret about the formula of Bio-feren. It is printed on every package. Here it is: Lecithin, Calcium Glycero-phosphate, Iron Peptonate, Manganese Peptonate, Ext. Nux. Vomica, Powdered Gentian, Phenolphthalein, Glycerin, Capsicum, Kolo.

rationing of cable capacity, but I am disturbed about the fact that the man who is to have charge of every word that comes to this country respecting the peace deliberations is George Creel. I again want to warn the people that if George Creel is to send the words here and is to transmit the news here, and if nothing is to be put on the wire except the things which he approves they shall make very great allowance for their truthfulness and for their authenticity."

AN OLD RECIPE
TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

SON LONG THOUGHT TO BE DEAD COMES HOME

Clarence Jones Arrives in Waldron When Father Thought he Had Died in France

ABSENT FROM HOME 8 YEARS

Shelbyville, Ind., Dec. 6.—Clarence Jones was dead, but is now alive again, to the people of Waldron. After an absence of about eight years he returned yesterday to his native town. When sixteen years of age he ran away to the "wild and woolly west" to seek adventure and had not been heard of since then.

Not so long ago his father, Charles Jones, who makes his home in Waldron, saw the name of his son in an official government casualty list. He presumed that his son must have entered the service of Uncle Sam and died over in France, as the casualty list gave his name correctly and said that he died as the result of wounds received in action. Mr. Jones, however, has not been in the army, but has been in the west employed as a truck driver for the most part. The coincidence is easily explained, as there are a large number in the army bearing the name of Jones.

Hazel Adams Alleges Oral Adams Refuses to Settle.

Hazel Adams of Arlington has filed suit on bond for \$1,300 against Oral Adams of Arlington, her guardian, and his bondsmen, the Lancashire Indemnity company, alleging that Adams has refused to pay over \$1,094.10 and accrued interest, belong to her, or to account for the same in any way and that he "has appropriated said amount to his own use." It is charged that Adams as guardian received \$1,134.12 of the plaintiff's money and that his last report showed \$1,094.10 in his possession. Since she has arrived at maturity, the plaintiff wants the money returned.

People who suffer from sour stomach, fermentation of food, distress after eating and indigestion, and seek relief in large chunks of artificial digestors, are killing their stomachs by inaction just as surely as the victim of morphine is deadening and injuring beyond repair every nerve in his body.

What the stomach of every sufferer from indigestion needs is a good prescription that will build up his stomach, put strength, energy and elasticity into it, and make it sturdy enough to digest a hearty meal without artificial aid.

The best prescription for indigestion ever written is sold by druggists everywhere and by Johnson's Drug Store and is rigidly guaranteed to build up the stomach and cure indigestion or money back.

This prescription is named Mi-on-a, and is sold in small tablet form in large boxes, for only a few cents. Remember, the name, Mi-on-a stomach tablets. They never fail.—Adv.

I. & C. Employees Praise
L. W. Henry in Resolutions
+++++

Employees of the Indianapolis & Cincinnati Traction company adopted resolutions praising their late superintendent, Lewis W. Henry, whose funeral was held here yesterday morning and whose body was taken to Anderson, his birth place, on a special car, for burial yesterday afternoon. Officials representing the traction lines of the state and directors of the I. & C. boarded the car at Indianapolis and accompanied the body to Anderson. The resolutions adopted by the I. & C. employees were as follows:

Since our Heavenly Father in His all-wise providence has called to Himself our beloved superintendent, Lewis W. Henry, it seems fitting that we should give expression of our deep sorrow at his death and our high appreciation of his life.

While he is gone, being yet in the full height and strength of his young manhood, yet we know that he lives and will continue to live in our hearts, because of his fairness in his dealings with us—"for he was fair"; his sunny disposition, which will always remain as one of the most pleasant memories of his association with us; for his firmness in dealing with any violations of the various rules that governed our department. He played no favorites with the men under him. His administration of our department was one of fairness, equality for all and executed with a sunniness that helped to bridge over the dark and unpleasant incidents that arose in our work together. For these things we loved and respected him. As the tree that, though cut down, shoots forth new branches; as the star though dead, continues to send us its light, so he shall live in us, in our consciences and in our hearts, as a magnificent example of a man among men. Therefore be it resolved:

1. That we bow in humble submission to God's will, knowing that he doeth all things well.
2. That in Lewis W. Henry we recognize a loss that prostrates us at the feet of Christ, causing us to plead for a fuller consciousness of the presence of His holy spirit in this hour of crisis. Since no man or group of men can adequately supply the place made vacant among us, we would emphasize the necessity of utter dependence of the Divine Leader.

3. That we extend to the bereaved members of his family this expression of our deepest sympathy, a sympathy born of love, that is surely as strong as their own, for "None knew him but to love him, None named him but to praise."

So, beloved superintendent and great friend, we will not commit the great wrong of forgetting thee. Here we are, your employees of yesterday and bygone days, to shed the tear of deep sorrow and to bid you a last farewell.

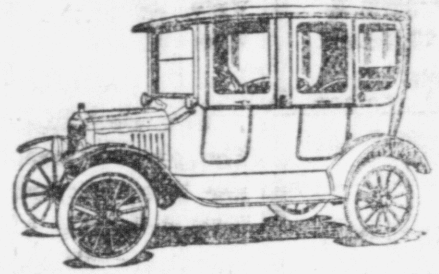

D. S. Petro, C. N. Gray, Willie Waggoner, A. C. Lee, Norman Eubank, J. F. Miller and G. Cartmel, Committee.

RUSHVILLE LAUNDRY

Detroit Weatherproof Detachable Tops

They are designed to afford motoring comfort in Winter as well as Fall and Summer.

They transform your Ford in a few brief seconds to a warm—absolutely storm-tight from windshield to rear window—brilliantly lighted limousine.

For the Ford driver who has considered winter driving a hardship rather than a pleasure, this patented all-weather top will be most acceptable as it eliminates instantly all his former hardships.

No bothersome side curtains to adjust in the biting cold or blinding snowstorms. The weatherproof top becomes an integral part of your Ford at a very reasonable cost.

The Biggest Money-Maker on the Farm

Every good farmer MUST have a plow, a cultivator or a wagon and some other things. He cannot raise a crop without a plow, but he can raise a crop, such as it is, without a manure spreader.

All farmers buy plows, cultivators and wagons because they have to, just as the small boy goes to school because he is compelled to.

When a boy grows big so he knows the value of schooling, he goes because he wants to. When a farmer grows big to know the value of a manure spreader and how many more bushels it will make each of his acres produce, he buys it, not because he is compelled to, but because he knows it is the best money-maker he can put on his farm.

If our country demands more food, if we must feed besides the people of our own United States, many of the peoples of the belligerent countries, our duty is plain—we must make every acre produce to its limit. There is no machine that will increase the otherwise normal output of any acre of ground as much as the manure spreader. There is no machine made today that will INCREASE the food production of this country as will the spreader. There is no manure spreader made that will come nearer the ideal or perfect machine than the RUSHVILLE SPECIAL Spreader you will find on our sample floor. Come in and see it.

PIGS GET WORMS VERY YOUNG

The time to commence feeding ACME WORM BOUNCER is from the time they are old enough to eat. Feed from birth to maturity. It will only take a few cents worth to do it, and as "an ounce of prevention is worth a pound of cure," it certainly pays to start the pig off right, and if you do so you can keep him right. Worms are persistent pests and they must be fought continuously. There is more money in keeping your pigs free of worms than to let them get worms and even expel them.

The Furnace Floor Heating Hot Blast

MADE BY THE FURNACE STOVE COMPANY, CLINTON, IND.

We received another shipment of these stoves Saturday, but this supply will not LAST LONG.

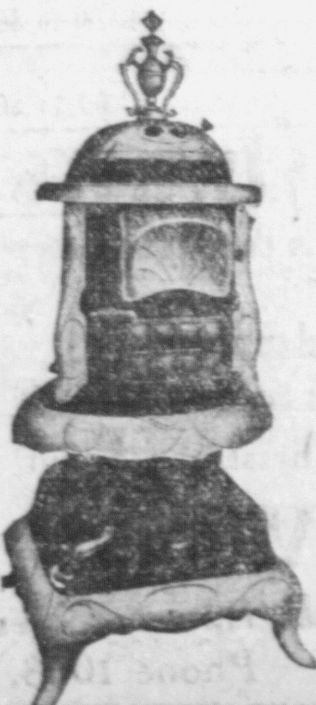

If you really want a stove which will do anything in the way of HEATING you ask for, try a FURNACE HOT BLAST. Not only does this heater burn the very CHEAPEST of SLACK, SOFT COAL, HARD COAL, COKE or WOOD, but is a LABOR SAVER as the BOILER IRON Body of this stove DOES NOT GET RED and UGLY, causing you to black it. The nicking on this stove is of the HIGHEST QUALITY giving you a LASTY ornament.

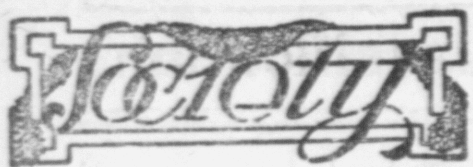

This is the heater which has 2000 MORE SQUARE INCHES of RADIATING SURFACE than any other 18 inch stove sold. All we ask is to give us an OPPORTUNITY to show you the CONSTRUCTION of this stove, then you can understand why it HEATS LARGE AREAS.

HARDWARE

Mrs. Harrie Jones was hostess today at her home in North Harrison street with a pitch-in-dinner for the members of the Thimble club.

The Ladies Musicales met yesterday afternoon at the St. Paul's M. E. church. After the business meeting was transacted the following program in charge of Mrs. Ralph Miles and Mrs. Ed Chambers was given "Chansonette" by Godard and "Iris" by Piere Renard, Mrs. Ralph

Miles and Mrs. Farnk Parke; "Marsellaise," by Rougerde Lisle, Miss Marjorie Clark; "Polonaise" by Whiting, Miss Brenda Kinsinger; reading by Miss Lavienna Compton; "Meditation from Thais" by Massenet and "Pienette" by Chaminade, Mrs. Ralph Miles; violin solos, "The Swan" by Saint Saens and "Serenade" by Piere, Miss Janet Dean; Overture—"Mignon" by Thomas, Mrs. Ralph Miles and Mrs. Frank Parke.

One of the most enjoyed social functions of the season was the K. of P. dance, which was given last evening in their hall in West Second street. The music was furnished by the Greensburg four-piece jazz orchestra. Besides the members, there were several out-of-town guests who enjoyed the evening.

Mrs. Bert Mullin entertained the Thursday Afternoon Bridge club at her home yesterday afternoon. A very delightful afternoon was spent over the tables.

Mrs. Susan Tingley entertained with a pitch-in-dinner today at noon at her home in West Fifth street. The guests were Mrs. Racheal Jones

of Chicago, Mrs. John Casady, Mrs. Margaret Friend, Mrs. Fannie Riededbaugh, Mrs. Sarah Guffin and Alfred Pearsey.

The members of the Willing Workers Sunday school class of the St. Paul's Methodist church met yesterday afternoon at the home of Mrs. Frank Windeler. The life of Joseph was discussed by the members of the class.

Miss Doris Walker entertained with a marshmallow toast and slumber party Saturday night at her home in Union township. The guests were the Jolly Girl society, including the following: the Misses Lucile Priest, Ida Foley and Lois Miller. On Sunday Miss Walker entertained the same crowd with a three course dinner. In the evening the girls went to the home of Miss Miller and they were entertained with music. Light refreshments were served.

Mr. and Mrs. Claude Walker and daughter Doris, of Union township entertained Saturday at dinner in honor of Private Clyde Irvin Walker of Camp Quantico, Virginia. The dining room was beautifully decorated with fall flowers. The following guests were entertained: the Misses Lucile Priest, Ida Foley, Lois Miller, Doris Walker and Pauline Walker.

WANT PRIVATE OWNERSHIP

New York, Dec. 6.—Executives of railroads comprising more than 90 percent of the rail mileage of the country, in conference here Wednesday, adopted a resolution favoring a return of the roads to private ownership and expressing the hope that the remaining period of federal ownership would be such as to leave the properties in the highest state of efficiency.

DEMANDS ARMY EXPENSES

London, Dec. 6.—The French armistice commission has sent a note to Berlin demanding the expenses of the allied armies to date. The expenses are said to include \$13,500,000 for the American army and \$10,000,000 for the British.

THIRD NUMBER OF COURSE

Victor Italian Artists to Give Concert Cancelled Monday.

The Victor Italian Artists, a company of seven male musicians, will give an entertainment, consisting of instrumental and vocal solo numbers and ensemble numbers in costume, at St. Paul's M. E. church tonight at eight o'clock. This is the third number of the lyceum course which was to have been given but had to be cancelled on account of the illness of the accompanist, who has recovered.

The Rushville Ministerial association announced today that season tickets for the remaining three numbers in the course, including tonight's entertainment, will be sold for one dollar. Single admission is fifty cents. The other numbers will be a lecture by Monteville Flowers and a concert by the Springfield-Holmes Concert Company.

WILL BE MUSTERED OUT

Clerks to Army Board Ordered to Ft. Harrison Tuesday

The county army selection board today was instructed to send Privates Francis Coyne and Vernace Burrows to Fort Harrison next Thursday to be mustered out of the service. They were assigned to duty with the local board after being inducted into the service as limited service men. Privates Burrows and Coyne have been here about three months and have done the bulk of the clerical work in connection with the September 12 registration. They have also compiled the statistical reports on the draft which have been called for from time to time by the provost marshal.

IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your Kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

Arrangements have been made to have the current issue of the vocational summary and any other literature on the subject of retraining which the federal board issues during the month, sent regularly to the county councils.

This subject is one of great importance and the success of the plans of the vocational board depends on the attitude the public is educated to assume toward disabled soldiers.

CLERK WALKS IN ON 3 BURGLARS

Earl Osborn Finds Robbers at Work
in Polk's Hardware Store When
He Enters Front Door

10 O'CLOCK THURSDAY NIGHT

Delbert Newman is Arrested as Sus-
pect This Morning—Thieves.
Escape With Merchandise

Earl Osborn walked in on three burglars at the E. E. Polk hardware store last night at ten minutes after ten, but the robbers all escaped, carrying away with them merchandise estimated to be worth from \$60 to \$70, and \$5 in money.

Delbert Newman, who was recently released from the state penal farm, was arrested today as a suspect in the case and it was probable that other arrests would be made before night.

The thieves gained entrance through the rear door, by prying it open far enough to reach in and release the lock.

Mr. Osborn, who is a clerk at Polk's store, realized that someone else was in the store when he entered the front door by the noise which was being made in the rear. He did not see any of the robbers because they made their escape before he got close enough to recognize any of them.

Instead of running through the store, Mr. Osborn came back out the front door and ran west in First street with the expectation of meeting the thieves in the alley in the rear of Polk's store. Before he reached the alley, the three ran out and also turned west in First street, running to Morgan, thence north to Second and west in Second.

Mr. Osborn kept up the chase until he saw he was being outdistanced and gave it up. The police were called but found no trace of the burglars nor of the stolen goods. It is understood that Newman was arrested because he was suspected of being implicated in the robbery.

Newman was sentenced in juvenile court March 3, 1915 to serve a term of six months in the state penal farm on a charge of encouraging delinquency and was fined \$500 and costs. The sentence was suspended, however, pending his good behavior. Five days later he was arraigned in court and admitted that he had violated his parole, which resulted in the suspension order being revoked and the sentence being imposed. Newman had to serve the six months in addition to one day for each dollar of his fine.

Polk's hardware store was entered once before about three years ago, when it was located in East Second street in the room now occupied by the Callaghan and Havens store. At that time a boy was convicted for the theft and served a term in the reformatory for the offense.

Kate Rowe Charged With Keeping
House of Ill Fame

Kate Rowe was arraigned in circuit court late yesterday afternoon on a charge of keeping a house of ill fame and pleaded not guilty. She gave cash bond for \$100 and was released. The defendant is an aunt of Mamie Leisure, formerly Mamie Wewee, who is in jail charged with being a prostitute. It is alleged by the authorities that men have been visiting the Rowe woman's house, which was raided by the police last Saturday night. One man was fined in mayor's court as a result of the raid.

RESTRAINING ORDER IS GRANTED TO WIFE

W. D. Richardson of Noble Town-
ship Restrained From Selling
Property Valued at \$6,190

WIFE ASKS \$4,000 ALIMONY

A restraining order was granted by Judge Sparks in circuit court yesterday to prevent Willard D. Richardson of Noble township from disposing of approximately \$6,190 worth of personal property following a suit by his wife, Jesse L. Richardson for a divorce. Mr. Richardson demanded a restraining order, declaring that her husband intended to dispose of his property.

Mrs. Richardson also requests \$4,000 alimony and that her maiden name of Jesse L. Morris be restored. It is set forth in the complaint that in addition to the personal property listed, the defendant owns an equity in 72 acres of land in Noble township valued at \$3,000.

It is stated in the complaint that the Richardsons were married February 17, 1912 and lived together until December 5, 1918. The plaintiff alleges her husband stayed out at night, ordered her to leave home frequently and was sullen and bad tempered. She alleges he accused her of not working enough when as a matter of fact she did heavy outdoor work. Mrs. Richardson says her husband "made fun" of her for visiting her parents and refused to take her to Sunday school and church.

Marked Decline at Milroy Arouses
Hope That Worst is Over—Six
More in Rushville

Although eighty-three new cases of the influenza have been reported in Rush county since yesterday noon, the situation in some parts of the county is not as alarming as it has been, notably in Milroy, where the belief was expressed today that the epidemic had reached its apex and is now on the decline.

About the daily average was maintained in Rushville with five new patients reported to the city health board during the 24-hour period ending at noon today.

The largest number of cases were reported from Carthage by Dr. J. C. Sipe, who sent word to the county health board of twenty-five more patients being afflicted. The reports were all dated December 4. Dr. Smullen of Raleigh reported twenty-two new cases since his last report, which was several days ago, making a total of sixty patients which he has treated.

Dr. Bowen of Occident reported twenty-three more patients, six of which developed the disease Tuesday and seventeen Wednesday. Dr. Lee of Lewisville reported four new cases in northern Rush county and Rushville doctors sent reports of three new cases outside of Rushville.

Indications were today that southern Rush county is recovering from the epidemic, which centered in Milroy and has been raging since November 29. Since that date, Milroy physicians have treated 209 patients for the influenza, many of which have recovered, having had the disease only in a mild form.

A marked decline in the daily development of new cases indicates that the epidemic is about abated. According to the Milroy Press of yesterday, and two Milroy physicians found only six new cases Tuesday, seven Wednesday and two Thursday, whereas last week on one day more than forty new cases developed.

It was announced today that the four patients at Milroy who were suffering with smallpox have recovered and that there was no danger of an epidemic of that disease. Restrictions on business at Milroy are gradually being removed and it is expected that they will be entirely removed by next Monday. The visiting nurse who was employed by the Milroy committee was released yesterday at noon because the need for her services had ended.

It is stated, however, that the Milroy school will not likely be opened until a week from next Monday in order to be certain that re-

Influenza Incapacitates Jurors.
Grand Jury Fails to Meet.

The influenza is playing havoc with the business of the circuit court because of petit and grand jurors being daily incapacitated by sickness. The grand jury, which was called into session this morning, could not meet because William H. Chance of Center township was reported to the court as being sick. Nearly every day one of the regular panel of the petit jury is excused because of himself being sick or due to sickness in his family. The grand jury likely will not meet before next week and another panel may have to be called.

PLANS PERFECTED ROLL CALL WEEK

Letters Have Gone Out to All Town-
ships Asking That Solicitors
be Named at Once

WAR FUND CAMPAIGNS ENDS

Hoped This Campaign Will Con-
stitute Very Foundation of Red
Cross Efforts in Future

Plans are being perfected this week for the Roll Call membership drive for the Red Cross. Letters have gone out to all townships asking that the solicitors be named at once. One township reports twenty-four solicitors already selected and ready to start.

It is hoped that each township can report a complete canvass on the evening of December 16.

A telegram from H. P. Davison, chairman of the Red Cross War Council, states that there will be no further campaign for war funds, and that the Christmas Roll Call for members for the year 1919 will constitute the very foundation of the Red Cross efforts in the future.

The work to be done is on a tremendous scale and of a "beautiful and inspiring character"—clothing feeding and educating orphans; supplying artificial limbs and nursing to health the wounded and diseased; educating the blind and crippled so that they may be self supporting; aiding the returning French and Belgian families that they may once more have a home and resume their former occupations; caring for the returned prisoners and nursing them back to health and reuniting their families; and to care for all needs caused by epidemics of every kind.

The transition from war to peace will require redoubled efforts. It is hoped that the Red Cross may meet with tremendous success in this Roll Call membership drive and that every person in the county may become a member of this organization which has extended so much love, sympathy and efforts during the war, and that his effort may continue during the reconstruction period.

HEAVY TAXES IN INCOMES

(By United Press.)

Washington, D. C.—Senator Simmons, chairman of the finance committee, presented the six billion revenue bill to the senate today.

Republicans immediately began a fight to delay consideration of the measure, speedy passage of which President Wilson urged in a message to congress. The senate agreed to take up the bill next Tuesday.

The bill raises the bulk of the revenue from corporation and individual incomes, excess and especially taxes on luxuries. It includes provisions for the taxes to be raised in 1920.

DEFENSE COUNCIL TO GIVE PUBLICITY

To Spread Information About Plans
of Rehabilitation For Disabled
Soldiers and Sailors

RECONSTRUCTION PROBLEM

This Work Entrusted by Congress to
Federal Board For Vocational
Education

The County Council of Defense has been called on by the State Council of Defense to give publicity and spread information about the plans of the federal government regarding the rehabilitation of disabled soldiers and sailors.

T. M. Green, local chairman, has received a bulletin soliciting assistance and calling attention to the fact that this is one of the immediate problems of reconstruction. It is pointed out his work has been entrusted by congress to the federal board for vocational education, which in turn has asked the assistance of all councils of defense in carrying out its plans.

The federal board advises that the success of its plans depends to a great extent upon bringing to the public a conviction of the dangers growing out of undue charity and commiseration. It anticipates a tendency to make the returning crippled soldiers and sailors feel that they are irresponsible persons to whom a grateful public owes a living. They wish every effort made to induce them to profit by the terms of the act for vocational rehabilitation, which offers them the opportunity of fitting themselves to earn an independent living.

The following are some of the essential points which it is desired emphasized:

(1) Cripples are not helpless and need not be dependents. Every cripple is capable of some useful, self-supporting work, provided the right job is found and he is trained in preparation for it.

(2) The public must avoid over-sentimental, ill-considered measures of commiseration, entertainment, or relief, which tend to break down the independence of the disabled soldier or sailor. We honor the disabled fighting man most by assuming that he will of course fit himself for self-support.

(3) The government, through the federal board for vocational education, has made provision whereby every permanently disabled soldier and sailor who is no longer able to follow his former occupation may without expense to himself be trained in a new vocation. The government will pay him a minimum of \$65 a month while he is in training and will assist him in finding a suitable position as soon as he gains proficiency.

The federal board has established throughout the country district vocational offices. This state is in district No. 7, comprising the states of Indiana, Ohio, and Kentucky. The acting district vocational officer of district No. 7 is W. F. Shaw, 906 Mercantile Library Bldg., Cincinnati. Continued on Page Eight

Berlin Papers Says Allied Troops
Will Occupy Berlin

(By United Press.)

Copenhagen, Dec. 6.—German papers published an alleged American wireless dispatch declaring that the allied troops will occupy Berlin for the purpose of policing that city. A dispatch from Heidelberg says the workmen and soldiers' council announced that French troops probably will occupy Heidelberg and the city of Mannheim, because the guards at the armory camp killed three French soldiers.

Heartburn. Belching. Indigestion. Food Repeating and Nearly All Kinds of Bodily Miseries

The first sign of stomach misery usually comes after over-eating. The doctors call it "superacidity." The people say—"sour stomach."

Millions of people who have lost their ambition, energy, courage, vitality and strength—who are weak, pale and listless—who go through life just dragging one foot after another—stagnant and worn out nearly all the time—nervous, irritable, subject to severe headache, insomnia, and a long train of physical ills—would be surprised, yes, dumbfounded, to learn that it is just an acid-stomach that is causing them all their misery. Yet in nearly nine cases out of ten that is just where the trouble starts.

Now a sour, acid-stomach, or "superacidity", of course, simply means too much acid in the stomach. You can now quickly rid your stomach of its excess acid. A wonderful modern remedy called EATONIC literally wipes it out. It does the work easily,

quickly and thoroughly. It makes the stomach pure, sweet, cool and comfortable. EATONIC is a powerful acid neutralizer. It does not harm you in any way. It is a powerful acid neutralizer. It does not harm you in any way. It is a powerful acid neutralizer. It does not harm you in any way.

EATONIC is in tablet form. They are pleasant to take—just like a bit of candy. EATONIC is a powerful acid neutralizer. It does not harm you in any way. It is a powerful acid neutralizer. It does not harm you in any way. It is a powerful acid neutralizer. It does not harm you in any way.

WAR WORK

American women nurses are installed eight miles in the rear of the fighting lines "over there." Right here at home many women should learn nursing to take care of the sick or, in emergencies, the wounded. You can learn a great deal by obtaining the "Medical Adviser," a book of 1,000 pages, bound in cloth, containing chapters on First Aid, Bandaging, Anatomy, Hygiene, Sex Problems, Mother and Babe, 200 prescriptions for acute and chronic diseases; profusely illustrated by wood cuts and colored plates. Ask your druggist or send 50c. to Publisher, 663 Main Street, Buffalo, N. Y.

If a woman is nervous or has dizzy spells, suffers from awful pains at regular or irregular intervals she should turn to a tonic made up of herbs, and without alcohol, which makes weak women strong and sick women well. It is Dr. Pierce's Favorite Prescription. Then, for the liver and bowels nothing is so good as Dr. Pierce's Pleasant Pellets.

Reports, Ind.—"Eighteen years ago I first became acquainted with Dr. Pierce's Favorite Prescription. It was during expectancy and I was very frail and delicate. But the 'Favorite Prescription' strengthened me and I had comparatively no suffering. My baby was a strong, healthy girl and has always been fine and healthy. For the present matter, I think there is nothing to equal 'Favorite Prescription.'"

"The 'Pleasant Pellets' I keep in my medicine chest for immediate use and feel that I couldn't keep house without them."

—Mrs. Adeline McGee, 612 Clement St.

ALL ROMANOFFS KILLED

London, Dec. 6.—A dispatch to the Exchange Telegraph from Amsterdam says the Kief newspapers publish a story given by the valet of the former empress of Russia, of the murder of the entire Romanoff family by the Bolsheviks. According to this story the once royal family was compelled to live in a single room of a convent at Ekaterinburg for weeks before the murder, under guard of Bolshevik soldiers, who insulted them.

Amusements
"We Can't Have Everything"

The extraordinary picture, "We Can't Have Everything", based on the novel of the same name by Rupert Hughes, is offered at the Princess tonight, featuring Kathryn Williams, Elliot Dexter, Wanda Hawley, Theodore Roberts and Sylvia Breamer. The story hinges on the age-old truth that no matter how much man acquires, he never is satisfied.

The picture shows various characters winning their aims—but how they attained their goal furnishes the basis for a wonderful comedy-drama. Gladys Leslie will be at this theater Saturday in "Wild Promise" and Charles Murray will appear in "Her Blighted Love."

IS MUSTERED OUT

Mr. and Mrs. E. E. Perrin have received word from their son Chester, who was in the officers training school at Camp Hancock, Georgia, that he has been mustered out of the service and will arrive in this city Sunday.

SON LONG THOUGHT TO BE DEAD COMES HOME

Clarence Jones Arrives in Waldron
When Father Thought he Had
Died in France

ABSENT FROM HOME 8 YEARS

Shelbyville, Ind., Dec. 6.—Clarence Jones was dead, but is now alive again, to the people of Waldron. After an absence of about eight years he returned yesterday to his native town. When sixteen years of age he ran away to the "wild and woolly west" to seek adventure and had not been heard of since then.

Not so long ago his father, Charles Jones, who makes his home in Waldron, saw the name of his son in an official government casualty list. He presumed that his son must have entered the service of Uncle Sam and died over in France, as the casualty list gave his name correctly and said that he died as the result of wounds received in action. Mr. Jones, however, has not been in the army, but has been in the west employed as a truck driver for the most part. The coincidence is easily explained, as there are a large number in the army bearing the name of Jones.

SUES GUARDIAN ON BOND

Hazel Adams Alleges Oral Adams
Refuses to Settle.

Hazel Adams of Arlington has filed suit on bond for \$1,300 against Oral Adams of Arlington, her guardian, and his bondsmen, the Lancashire Indemnity company, alleging that Adams has refused to pay over \$1,094.10 and accrued interest, belong to her, or to account for the same in any way and that he "has appropriated said amount to his own use." It is charged that Adams as guardian received \$1,134.12 of the plaintiff's money and that his last report showed \$1,094.10 in his possession. Since she has arrived at maturity, the plaintiff wants the money returned.

London has 2,500 miles of sewers and Paris about 1,000.

STOMACH DEAD MAN STILL LIVES

People who suffer from sour stomach, fermentation of food, distress after eating and indigestion, and seek relief in large chunks of artificial digestors, are killing their stomachs by inaction just as surely as the victim of morphine is deadening and injuring beyond repair every nerve in his body.

What the stomach of every sufferer from indigestion needs is a good prescription that will build up his stomach, put strength, energy and elasticity into it, and make it sturdy enough to digest a hearty meal without artificial aid.

The best prescription for indigestion ever written is sold by druggists everywhere and by Johnson's Drug Store and is rigidly guaranteed to build up the stomach and cure indigestion or money back.

This prescription is named Mi-o-na, and is sold in small tablet form in large boxes, for only a few cents. Remember, the name, Mi-o-na stomach tablets. They never fail.—Adv.

RULES ON SOLDIERS' MAIL

Letters to be Sent Abroad Must
Bear Senders' Address

Washington, Dec. 6.—The Secretary of War has requested the Postmaster General to issue instructions that no mail will be accepted by any postoffice in the United States for dispatch to members of the American expeditionary forces without a return address in the upper left-hand corner of the envelope.

This action was requested in order that proper disposition may be made of mail which arrives in France for units and individuals who have been returned to stations in America, and whose record or address to which mail should be forwarded is no longer available in France.

I. & C. Employees Praise L. W. Henry in Resolutions

Employees of the Indianapolis & Cincinnati Traction company adopted resolutions praising their late superintendent, Lewis W. Henry, whose funeral was held here yesterday morning and whose body was taken to Anderson, his birth place, on a special car, for burial yesterday afternoon. Officials representing the traction lines of the state and directors of the I. & C. boarded the car at Indianapolis and accompanied the body to Anderson. The resolutions adopted by the I. & C. employees were as follows:

Since our Heavenly Father in His all-wise providence has called to Himself our beloved superintendent, Lewis W. Henry, it seems fitting that we should give expression of our deep sorrow at his death and our high appreciation of his life.

While he is gone, being yet in the full height and strength of his young manhood, yet we know that he lives and will continue to live in our hearts, because of his fairness in his dealings with us—"for he was fair"; his sunny disposition, which will always remain as one of the most pleasant memories of his association with us; for his firmness in dealing with any violations of the various rules that governed our department. He played no favorites with the men under him. His administration of our department was one of fairness, equality for all and executed with a sunniness that helped to bridge over the dark and unpleasant incidents that arose in our work together. For these things we loved and respected him. As the tree that, though cut down, shoots forth new branches; as the star though dead, continues to send us its light, so he shall live in us, in our consciences and in our hearts, as a magnificent example of a man among men. Therefore be it resolved:

1. That we bow in humble submission to God's will, knowing that he doeth all things well.

2. That in Lewis W. Henry we recognize a loss that prostrates us at the feet of Christ, causing us to plead for a fuller consciousness of the presence of His holy spirit in this hour of crisis. Since no man or group of men can adequately supply the place made vacant among us, we would emphasize the necessity of utter dependence of the Divine Leader.

3. That we extend to the bereaved members of his family this expression of our deepest sympathy, a sympathy born of love, that is surely as strong as their own, for "None knew him but to love him, None named him but to praise."

So, beloved superintendent and great friend, we will not commit the great wrong of forgetting thee. Here we are, your employees of yesterday and bygone days, to shed the tear of deep sorrow and to bid you a last farewell.

The Biggest Money-Maker on the Farm

Every good farmer MUST have a plow, a cultivator or a wagon and some other things. He cannot raise a crop without a plow, but he can raise a crop, such as it is, without a manure spreader.

All farmers buy plows, cultivators and wagons because they have to, just as the small boy goes to school because he is compelled to.

When a boy grows big so he knows the value of schooling, he goes because he wants to. When a farmer grows big to know the value of a manure spreader and how many more bushels it will make each of his acres produce, he buys it, not because he is compelled to, but because he knows it is the best money-maker he can put on his farm.

If our country demands more food, if we must feed besides the people of our own United States, many of the peoples of the belligerent countries, our duty is plain—we must make every acre produce to its limit. There is no machine that will increase the otherwise normal output of any acre of ground as much as the manure spreader. There is no machine made today that will INCREASE the food production of this country as will the spreader. There is no manure spreader made that will come nearer the ideal or perfect machine than the RUSHVILLE SPECIAL Spreaders you will find on our sample floor. Come in and see it.

PIGS GET WORMS VERY YOUNG

The time to commence feeding ACME WORM BOUNCER is from the time they are old enough to eat. Feed from birth to maturity. It will only take a few cents worth to do it, and as "an ounce of prevention is worth a pound of cure," it certainly pays to start the pig off right, and if you do so you can keep him right. Worms are persistent pests and they must be fought continuously. There is more money in keeping your pigs free of worms than in letting them get worms and even expel them.

Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

THIRD NUMBER OF COURSE

Victor Italian Artists to Give Concert Cancelled Monday.

The Victor Italian Artists, a company of seven male musicians, will give an entertainment, consisting of instrumental and vocal solo numbers and ensemble numbers in costume, at St. Paul's M. E. church tonight at eight o'clock. This is the third number of the lyceum course which was to have been given but had to be cancelled on account of the illness of the accompanist, who has recovered.

The Rushville Ministerial association announced today that season tickets for the remaining three numbers in the course, including tonight's entertainment, will be sold for one dollar. Single admission is fifty cents. The other numbers will be a lecture by Monteville Flowers and a concert by the Springfield-Holmes Concert Company.

Clerks to Army Board Ordered to Ft. Harrison Tuesday

The county army selection board today was instructed to send Privates Francis Coyne and Vernace Burrows to Fort Harrison next Thursday to be mustered out of the service. They were assigned to duty with the local board after being inducted into the service as limited service men. Privates Burrows and Coyne have been here about three months and have done the bulk of the clerical work in connection with the September 12 registration. They have also compiled the statistical reports on the draft which have been called for from time to time by the provost marshal.

IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it is no longer a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

BEST CHILDREN'S COUGH MEDICINE

When in need of a remedy for stubborn Coughs or Colds, don't simply ask the druggist for a "Cough Medicine," but get the best. Insist upon getting **SCHIFFMANN'S EXPECTORANT** and don't be induced into buying something else. The Druggist will refund your money if it does not give perfect satisfaction or is not found the best remedy ever used for all Bronchial affections. A bottle (50 cents worth) makes 64 teaspoonsful of the most excellent cough medicine, after being mixed at home with honey or sugar syrup. Prepared from strictly harmless plants. Contains absolutely no narcotics as do most cough remedies, and it is therefore safest for children. Pleasant to take and children are fond of it. Absolutely no risk whatever is run in buying the remedy under this positive guarantee. **R. J. Schiffmann, Prop., St. Paul, Minn.**

EPIDEMIC ABATED IN SOME SECTIONS

Continued from Page One
currence of the epidemic will be avoided. The schools of southern Rush county have suffered on account of the epidemic, according to Superintendent George. The Millray, Moscow and Richmond schools have been closed for several days, and yesterday the Webb school was closed.

There are two school children among the five new patients reported in Rushville today, as follows: Stanley Stewart, 934 West Third street; Walter Duke, 731 North Perkins; Gerald Craig, 834 North Harrison; Miss Helen Pierson, 320 West Third and Miss Mazie Clark. Today's report brings the total number of patients treated in the county during the epidemic up to 1,465.

DEFENSE COUNCIL TO GIVE PUBLICITY

Continued from Page One
nati, Ohio. It is very important that every man discharged in the army as permanently disabled know the address of his district vocational office.

Arrangements have been made to have the current issue of the vocational summary and any other literature on the subject of retraining which the federal board issues during the month, sent regularly to the county councils.

This subject is one of great importance and the success of the plans of the vocational board depends on the attitude the public is expected to assume toward disabled soldiers.

AIRPLANES SHED WINGS

London, December 6.—No formal surrender of German airplanes will be arranged because it is impracticable to assemble 2,000 machines at one place and it is doubtful whether Germany has enough reliable pilots for that purpose. The first surrender in history of all air fleet is being effected in sections. The Germans are shedding their wings in the course of retreat and the advancing allies are picking them up.

Just Ring 1408—That's All—We'll do the rest.

Smile, Folks, Smile!

Let's throw away our long faces. Sure, we have had a hard time with the flu, and numerous other things, but Christmas is coming. We are unlike most merchants, we haven't any presents or special bargains to offer. The only big bargain that we offer is the saving in dollars and cents on your clothing bill. This Christmas season we are making an early appeal for you to make use of our dry cleaning establishment, and to have your garments dry cleaned, pressed and repaired. Don't wait until the remaining few days before Christmas, but send them to us tomorrow.

Ladies, Men and Children's garments are all included. Phone us. Our delivery is for you to use. Phone 1,154.
